

ADDITIONS:

- 1.) ORINDA is now available in BEECH
- 2.) PRINCETON is now available in WHITE
- 3.) QUAKER is now available in WHITE
- 4.) YORKTOWN is now available in BEECH
- 5.) White cabinets now available in TALL 33³/₄"
- 6.) BOTTOM DRAWER CONFIGURATION now available in all styles except VICTORIAN

CHANGES:

- 1.) INCREASED OPTIONS: No more distinction between Traditional and Premiere Series. All styles (except Victorian) can be ordered STANDARD (31" tall), TALL (33³/₄"), or PREM (33³/₄" tall with premiere soft close door & drawer features).
- 2.) CROWN MOLDING is no longer a standard feature on *Over-the John, Toilet-Topper, Linen Cabinets, and Medicine Cabinets*. Crown Molding is an option and MUST BE SPECIFIED and charged accordingly if desired.
- 3.) NO MORE PMC: The PMC designator (Premiere Medicine Cabinet) has been removed from the medicine cabinets. Medicine cabinets with Crown are now ordered as a medicine cabinet (MC) and write "W/CROWN" after the model number.
- 4.) INCREASED DRAWERS: All 42" & 72" wide vanities (except Victorian) now have 4 drawers right and 4 drawers left instead of 3 drawers. All 72" wide cabinets with drawers in the center now have 4 drawers instead of 3.
- 5.) ADDITIONAL BOTTOM DRAWER: 42" through 72" wide bottom drawer vanities now have 3 bottom drawers instead of 2 for symmetrical line-up and additional storage.
- 6.) ORINDA style cabinets have changed from rounded "bull-nose" edges, to a modern, square edge design. Choice of hardware (knobs) is now included instead of the previously designed "routed finger pulls".

NAME CHANGES:

DONNER is now the RICHMOND with a bottom drawer
